Pledge cards for the 52nd Annual DC One Fund Campaign have a minor printing error. The cards are valid and should be used. Department Representatives and Keypersons should be aware of the error, and help employees who choose to contribute to the One Fund Campaign fill out their pledge cards correctly.

- Half way down the pledge card there are two lines for signatures – one intended for the Contributor and the other intended for the Keyperson.
- The line on the LEFT is CORRECTLY labeled “Signature of Contributor” and the Contributor should sign and date there.
- The line on the RIGHT is INCORRECTLY labeled “Signature of Contributor.”
- **The line on the RIGHT is for the Keyperson to sign and date.**

If you have any questions, contact your Department Representative, or the One Fund Office at 202.741.5256 or by email at Onefund.DCFEMS@dc.gov.
